To

The Secretary to Government,
Agriculture & Forest Department,
Bangalore.

Sir,

In forwarding herewith the papers of the case received along with the Deputy Commissioner, North Kanara's letter No.LND-3-SR-77, dated 15-9-1961, I have to observe as under:-

2. In this case one Shri. G.S. Bhandari of Alkod village in Kumta taluka has applied for grant of 2 acres of land, for fruit cultivation, from F.S.No. 26-A1 of Alkod . The Conservator of Forests, Belgaum has recommended the grant(vide P.57) on the condition of preserving the mango tree and subject to the further condition of obtaining Govt.orders for the release of the area for the purpose. The matter was discussed in the Divisional Co-ordination Meeting at Belgaum on 28-9-1961, as desired in para 4 of the Deputy - Commissioner's letter referred to above and a copy of the resolution passed in the meeting is enclosed for favour of perusal. In the circumstances, I request you kindly to move Govt. to issue early orders dis-foresting the area of 2 acres from F.S.No.26-A1 of Alkod village for being granted for fruit cultivation, in favour of the applicant. The case papers may kindly be returned to the Deputy Commissioner, North Kanara when done with.

Yours faithfully,

(B.G. Kaujalgi)

Sir,

Subject: Lands: Kanara..
Alkod, Taluka: Kumta.. Release of certain ... at..

Reference: Correspondence ending with endorsement No.BCW/LND-13 dated 7-8-1961..

1. In submitting herewith the papers of the case pages 1 to 60 regarding disposal of 2 acres of forest land out of S.No. 26 A1 of Alkod, I have to state as under:-

2. In this case, one Ganapati Subraya Bhandari has applied for grant of two acres of forest land out of Forest S.No. 26A1 of Alkod village, Taluka: Kumta for fruit cultivation. Enquiry instituted in this regard disclosed that there is no objection to the disposal of the area from the revenue point of view.

3. The Forest Authorities were therefore consulted as to the objections if any to the disposal of the land as it does not form part of the S.No.already notified by the Forest Department as available for cultivation. The D.F.O. has no objection to the disposal of the area on condition of preserving the one Mango tree. The Conservator has endorsed the views of the D.F.O. but wants the Revenue Authorities to obtain Government orders as according to him the area cannot be said to be blank area within the perview of G.O.No.AFD 250 DST 57 of 19-6-1958.

4. There could be no objection to refer the case to Govemment for orders but this will result in avoidable delay and unnecessary correspondence in view of the fact that Government order in G.O.No.AFD 6 MRP 58 dated 19-5-1958 permit outright disposal of forest land when there is concurrence of the Forest Department. With a view to obviate this difficulty it was proposed for releasing another 2 ½ per cent more of forest land for the purpose of cultivation in which connection I have submitted a separate report this day. I would therefore request you kindly to take up the matter with the Conservator at the time of the Divisional Coordination meeting and clarify whether in cases where the Forest Department has no objection to the disposal, the land could be disposed of without reference to Government which will curtail lot of correspondence work and also delay.

Yours faithfully,

T.S.Narayanrao

Deputy Commissioner, N.Kanara
